

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

Never in Separation

Not having a physical presence in your life, so much of a norm seems lost,

And yet so much more is gained that should a chance to embrace finds us,

That which wasn't, is, and so much more we will have to cherish and sustain,

I will never again take my senses for granted, your missing presence touches my soul,

The feeling of your soft skin against mine, the caress of shape and curves,

Our lip embrace, the taste, the sweet aroma of our bodies entwined,

Whispers, near inaudible gasps of love, the beating of two hearts, turning as one.

We no not what we miss, until they are gone... what's worse...

Never yet having, but wanting these all your life.... and when a chanced moment comes,

I will take hold and never, ever let go.

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.
