

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

Online Advertising for Dating Services

Companies offering dating services are investing increasing amounts in advertising, according to a new study, with online advertising seeing particular growth.

Research carried out by Nielsen Monitor-Plus found that such firms in the US, in particular online dating sites, spent \$127.3 million advertising online in 2006. This is up from \$88.9 million spent the previous year and the second highest area of investment for dating services. Of the 12 dating services firms advertising online, seven companies were "almost exclusively using the internet for advertising", the report found.

The top ten dating services firms accounted for 96 per cent of the total advertising spend for the industry, some \$290 million of \$302 million.

It only makes sense to advertise your Dating Site online and it's even more important if your site is new in the industry.

Dating or courtship is the process of choosing and attracting a mate for companionship, sex, marriage and/or sexual reproduction. It is also the pre-arranged meeting (exclusive) of two people with mutual interest in one another to communicate with and to comprehend through shared participation in social activities. According to western tradition, a date is an occasion when one socializes with a potential lover or spouse for the purpose of being deeply acquainted with each other as also to come to an understanding whether they wish to have a purposeful relationship.

Though dating was generally sponsored through friends or relatives, the Second World War diminished such opportunities to a great extent, giving rise to commercial dating agencies. Newspapers and magazine ads contributed to the cause too. However, post-Internet days have brought a sea change in dating and mate-finding anonymously. Online dating services today provide unlimited dating extravaganza on the monitor without any commitment tagged to it. Ladies and men can now tap the online resources with the click of a mouse and carry on love duels without disclosing identity. Though this online intimacy can be instantly arousing, yet its pitfalls are of concern since none of the parties can ever guess an inch of the other's inner life or face read either of them. However, the world becoming more and more full of 'singles', online dating gives the opportunity to know more and more people and even find a life partner.

- Black Olives (sliced)
- Italian Seasoning
- Olive oil (extra virgin olive oil is best)

Extra Items to Bring Sizzle to Your Romantic Evening!

- Italian music CD
- Dinner Candles
- Red or Green Napkins (vibrant colors are passionate!)
- Imported Italian Wine (make sure you have 2 wine glasses at home)

What to Do!

- Preheat the oven to about 400-450 degrees (the hotter oven is best usually for cooking pizza)
- Put olive oil and a bit of cornmeal on a circular or a rectangular pizza pan (The cornmeal is optional) If you use cornmeal, just dust a little on the pan with the oil.
- Place the pizza dough on the oiled pan and extend it out to the edges of the pan with your fingers. The dough should be very elastic like and stretch across easily. Put oil on your fingers if the dough is sticking to your fingers too much.
- Apply the mixture of tomato paste and beef bullion over the dough to start
- Add all the toppings that you desire. You might want to make half of the pizza different than the other for variety.
- Be sure that whatever you put on the pizza that the mozzarella and other cheeses are the last items put on the pizza.
- NOTE: You may want to precook your meat a little before putting it on the pizza to cook. (Some like the meat well done)
- Sprinkle the Italian seasoning over the cheese.
- Drizzle a little olive oil on top of the pizza and place it in the oven.

The pizza should take about 20-25 minutes at most, but you should check on it to see when you think it looks done. Everyone's oven is different.

Set the table in a romantic way! Put the napkins in the wineglasses for the extra creative touch until you are ready to serve the wine. This looks very nice and much like you would see in a fancy restaurant! Light the candles and turn on the Italian music. Dim the lights. You may even decide to have a glass of wine together while waiting for the pizza to cook.

Enjoy the magical romance of your Italian dinner for two!
