

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

## How to tell someone that you are attracted to them

There are several creative ways to tell someone that you are attracted to him or her. Ideally, before doing this, you should make sure that the person who you are attracted to is available first. This is just a sign of respect for both the other person and yourself. Once you know that your love interest is single, get your creative wheels turning and select the best way to express yourself.

Some people are not shy and feel comfortable with sharing their feelings over a coffee or a dinner out somewhere together. Other people are more private and want to express their heartfelt feelings in a more private place like while walking on a nature trail or maybe at home. If openly talking about your feelings is not your style; maybe a letter or an email would be better. Some people express themselves better in a letter than talking in person.

Other ways to get your feelings out there would be through creative romantic gestures. For instance, if a man is interested in a woman, he could send her a single rose or a bunch of wild flowers with a card expressing how he feels about her. On the other hand, if a woman is interested in a man, she could get him a small gift that he would like, relating to his interests. Small gifts express feelings of attraction and love for another person.

Another thing that either a man or a woman can do to express attraction is to prepare a romantic dinner at home with good food, fine wine, candles and music. A homemade, romantic evening can really express love for someone. Also a weekend away to a

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

Another romantic gesture is to meet someone for lunch with a picnic that includes good food and a nice dessert. You could meet your loved one at noon and drive to where you can see the water and share a romantic picnic lunch together. This makes a great impression on a person and also makes an interesting romantic break in the middle of both of your workdays.
