

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

## Different Ways of Expressing Love

When you are in love with someone it is good to think of new and exciting ways to express your feelings for them. Creative expression of love makes for an interesting and fun relationship.

Let's look at the many ways of expressing love.

Love can be expressed in various ways ranging from physical expressions of love to loving words or gestures. Hugs and holding hands are simple yet meaningful ways to show your partner that you love them. Just putting your arm around the person that you care about means so much. Not to mention how a kiss makes a person feel. So much love can be expressed in a kiss.

Often just a glance can tell a person that you love them. There is a certain look in a person's eyes when they are in love and it is very obvious. It is almost a dreamy look of total bliss and peace. A smile can say a lot too. Even a wink is a way to express to someone that you are attracted to him or her. Winking is a sort of sexy and mysterious gesture, which leaves a person wondering what the other person is thinking. When a wink is combined with a smile, it can be a very powerful way to tell someone that you are interested and attracted. Body language plays a big part in expressing attraction for another person.

With regard to loving gestures, there are many things a person can do to express their love for a person. Love notes, sexy voicemail messages, cards and letters are all some of the popular ways to express love. Also, a person can do loving things like make a romantic meal or picnic for their loved one. Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

## Online Advertising for Dating Services

Companies offering dating services are investing increasing amounts in advertising, according to a new study, with online advertising seeing particular growth.

Research carried out by Nielsen Monitor-Plus found that such firms in the US, in particular online dating sites, spent \$127.3 million advertising online in 2006. This is up from \$88.9 million spent the previous year and the second highest area of investment for dating services. Of the 12 dating services firms advertising online, seven companies were "almost exclusively using the internet for advertising", the report found.

The top ten dating services firms accounted for 96 per cent of the total advertising spend for the industry, some \$290 million of \$302 million.

It only makes sense to advertise your Dating Site online and it's even more important if your site is new in the industry.

loves good food combined with a romantic setting if possible. Sometimes just to go somewhere romantic to talk is nice, like a park, wooded trail or near a lake or beach. It is always romantic to sit by the water together and just hug each other or talk.

Going out on a romantic date is a good way to express love for a person. Take your partner to their favorite restaurant and enjoy some great food together with a glass of wine and a fancy dessert! Make your lover some cookies or their favorite pie and sit and talk while having pie and coffee or cookies and milk. There are many romantic things you can do with your lover involving good food and drinks.

Be creative and see what happens. Make your partner a smoothie or a milkshake and watch a movie at home together. Make some popcorn or buy a bunch of your favorite candy together to eat while watching your favorite television show together.

Decorate the bedroom with flowers and candles and play some soft music. Cuddle up on the bed or couch together. Share some quality time with the person that you love. All these things show your partner that you love them. Take time for your relationship. Make time for each other and nurture the love you share. Let

Dating or courtship is the process of choosing and attracting a mate for companionship, sex, marriage and/or sexual reproduction. It is also the pre-arranged meeting (exclusive) of two people with mutual interest in one another to communicate with and to comprehend through shared participation in social activities. According to western tradition, a date is an occasion when one socializes with a potential lover or spouse for the purpose of being deeply acquainted with each other as also to come to an understanding whether they wish to have a purposeful relationship.

Though dating was generally sponsored through friends or relatives, the Second World War diminished such opportunities to a great extent, giving rise to commercial dating agencies. Newspapers and magazine ads contributed to the cause too. However, post-Internet days have brought a sea change in dating and mate-finding anonymously. Online dating services today provide unlimited dating extravaganza on the monitor without any commitment tagged to it. Ladies and men can now tap the online resources with the click of a mouse and carry on love duels without disclosing identity. Though this online intimacy can be instantly arousing, yet its pitfalls are of concern since none of the parties can ever guess an inch of the other's inner life or face read either of them. However, the world becoming more and more full of 'singles', online dating gives the opportunity to know more and more people and even find a life partner.
