

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

How to Tell if a Man Is Interested in a Woman

There are certain things that a woman can observe about a man, which will tell her if he is interested in her or not. The most obvious sign of attraction is body language. Also, the things that a man says and the way in which he says it, tells a lot about his level of interest. Sometimes it is the things that a man doesn't say, which expresses his interest in a woman. It is these times that body language expresses more than words do. Thoughtful and romantic gestures are also characteristic of a man who is interested.

With respect to body language, so much can be learned by the way that a man communicates a message to a woman with his body. For instance, how a man looks at a woman and the duration of his look can be extremely expressive. Does he look at her with love and admiration from head to toe or does he merely glance at her and look away? Does he smile at her when he looks at her? Does she smile back? Is there a silent and powerful attraction between the man and woman? Observe how a man moves around a woman. Does he lean toward her or put his hand on her hand? Is he expressing interest in her in various ways? These are the sort of things to look for when wondering if a man is interested in a woman.

If a man is interested in a woman, he will speak highly of her all the time. It does not matter if he is with her or with his friends or colleagues, a man who is interested in a woman will only say good things about her. In fact, a man will smile when he says the name of the woman who he is interested in. Good

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

It is also the pre-arranged meeting (exclusive) of two people with mutual interest in one another to communicate with and to comprehend through shared participation in social activities. According to western tradition, a date is an occasion when one socializes with a potential lover or spouse for the purpose of being deeply acquainted with each other as also to come to an understanding whether they wish to have a purposeful relationship.

Though dating was generally sponsored through friends or relatives, the Second World War diminished such opportunities to a great extent, giving rise to commercial dating agencies.
