

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

## Appetizers for Love

When you are planning an evening of romance with your loved one, it is important to serve the right foods to enhance the passion. Finger foods are very sensual and should definitely be on the list of items that you buy to enjoy the perfect night of romance.

The best place to go to get finger foods is a local deli or a grocery store, which carries some specialty items. You will want to get an assortment of fresh fruit to cut up into bit size pieces and place in a colorful arrangement on a plate. Don't forget to get a creamy, fluffy, sweet fruit dip of sorts. You may want to make your own fruit dip from vanilla yogurt, cream cheese and whip cream. If you mix these items together it will be decadent. You may even want to have a fruit fondue so that you can dip the fruit into melted chocolate with sticks. The sight of strawberries dripping with hot melted chocolate will definitely make a person enter into the realm of passion and sensual desire.

Whip cream in a can is very sexy too! There is something about the sound of whip cream being sprayed out of a pressurized can that is very suggestive. Who is to say that the cream has to be put on the fruit either? Let your romantic creativity run wild and see where passion takes you. You may both be pleasantly surprised. If you are preparing a tray of fruit, make sure that the fruit is fresh, ripe and colorful. Keep in mind that some fruit turns brown if it sits too long, so it is always good to prepare it as close as possible to the time that you are serving it.

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

Though dating was generally sponsored through friends or relatives, the Second World War diminished such opportunities to a great extent, giving rise to commercial dating agencies.
