

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

Chocolate Aphrodisiacs

Chocolate is likely the most popular of all the aphrodisiacs. There is something about it that activates the most passionate of feelings in people. Hot or cold, chocolate gives people a sort of sensuous rush that makes love all that much better. There are several creative ways to make chocolate a part of your romance.

Dark chocolate has been found to be the most effective in its aphrodisiac qualities. It is the high amount of cocoa in dark chocolate that makes it so powerful in these ways. If you are making a hot chocolate for instance, it is best to make it from real cocoa and add sugar if you want to make the very best hot chocolate ever!

On the other hand if you like cold chocolate, you may want to consider getting a dark chocolate ice cream or frozen yogurt. Some people like to have lots of things in their ice cream like nuts, marshmallow, chocolate chips, chocolate syrup, crushed Oreo cookies or graham wafers. Other people enjoy just simple creamy ice cream or frozen yogurt with nothing else to take away from the creaminess of it. It really is a matter of personal taste with one exception; the creamer and richer the chocolate the better. You might want to make a sundae buffets if you and your lover get ice cream or frozen yogurt. This can be a lot of fun, especially if the sundaes are topped off with whip cream, cherries and colorful sprinkles!

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.
