

My soul is the part of me I least understand. Somewhat an illusive commodity... but I know this of my soul... "It believes". It believes in me, in you, in us, in the bond that we have embraced, and will continue throughout this life and whatever lies beyond.

My soul longs for something greater, is patient, is kind, not envy, not boastful, not proud, not rude, not self-seeking, not easily angered, keeps no record of wrongs, does not delight in evil, rejoices with the truth, always protects, always trusts, always hopes, always perseveres, never fails, and endures forever everlasting.

I'll forever love you... and this I vow to the end of time. All my love, for all your life.

Expressions of Love in Relationships

What is love? Love can have so many different definitions to people that it is difficult to come up with one that everyone agrees on. How a person defines love depends on who they are and what experiences they have had regarding love in their life. Some people have had positive love experiences while others have had negative ones. How a person perceives love, affects how they express love. Let's look at some different expressions of love.

Assuming that a person has had positive experiences regarding love, they will express it in many romantic ways. For example, the expression of love through physical intimacy is very well received. Hugs, kisses, hand holding and more all express love in romantic and intimate ways.

Romantic gestures are another popular way to express love. Types of romantic gestures, which a person considers loving depends on the person. For example,

A couple could be walking on the beach together and it may be very windy and cold. One person may take off their coat and give it to the other person to stay warm and this would be a romantic expression of love. Another situation may be where one person gets home from work earlier than the other and starts to make a nice meal for both of them. Some people may say, so what, while others will acknowledge this as an expression of love for the other person.

People shouldn't overlook small expressions of love which they experience everyday. Sometimes life gets busy and we forget to show appreciation to our

Courtship is the process of selecting and attracting a mate.

It is governed by a complex set of unwritten rules that are loosely defined as etiquette. Such rules dictate where, when, with whom and in what manner we all attract the opposite sex. We generally obey these unofficial rules by instinct but we also only become aware of the rules when someone commits a breach of them.

Online Advertising for Dating Services

Companies offering dating services are investing increasing amounts in advertising, according to a new study, with online advertising seeing particular growth.

Research carried out by Nielsen Monitor-Plus found that such firms in the US, in particular online dating sites, spent \$127.3 million advertising online in 2006. This is up from \$88.9 million spent the previous year and the second highest area of investment for dating services. Of the 12 dating services firms advertising online, seven companies were "almost exclusively using the internet for advertising", the report found.

The top ten dating services firms accounted for 96 per cent of the total advertising spend for the industry, some \$290 million of \$302 million.

It only makes sense to advertise your Dating Site online and it's even more important if your site is new in the industry.

Expressions of love are all about showing appreciation for your partner being in your life in different ways. A person will feel more at peace day to day if they practice being thankful for the love in their life. Love makes life so much sweeter and meaningful it seems. It is good to express love in thoughtful and caring ways each day. Your romantic relationship will be nurtured by spontaneous expressions of love!

Dating or courtship is the process of choosing and attracting a mate for companionship, sex, marriage and/or sexual reproduction. It is also the pre-arranged meeting (exclusive) of two people with mutual interest in one another to communicate with and to comprehend through shared participation in social activities. According to western tradition, a date is an occasion when one socializes with a potential lover or spouse for the purpose of being deeply acquainted with each other as also to come to an understanding whether they wish to have a purposeful relationship.

Though dating was generally sponsored through friends or relatives, the Second World War diminished such opportunities to a great extent, giving rise to commercial dating agencies. Newspapers and magazine ads contributed to the cause too. However, post-Internet days have brought a sea change in dating and mate-finding anonymously. Online dating services today provide unlimited dating extravaganza on the monitor without any commitment tagged to it. Ladies and men can now tap the online resources with the click of a mouse and carry on love duels without disclosing identity. Though this online intimacy can be instantly arousing, yet its pitfalls are of concern since none of the parties can ever guess an inch of the other's inner life or face read either of them. However, the world becoming more and more full of 'singles', online dating gives the opportunity to know more and more people and even find a life partner.
